- Additional hours at a rate of \$150/hour
- **2nd Photographer:** you get a second shooter with all our wedding packages - twice the photos with no upcharge. Most photographers charge \$300 for a second shooter at a wedding.
- We have a two hour minimum requirement (min. fee of \$400).
- We take as many shots as we can -we know you want a lot!
- High resolution, edited photos will be delivered to you via an online password protected private gallery. With shopping cart convenience if you choose to order prints.
- Talk to us about your wedding needs - we honor many requests made by our clients. We are easy to work with and happy to answer all your questions!
- Free “**Colorization**” and **Black & White** of photographer’s pics added to your gallery
- You will receive the digital download for all your edited wedding photos – typically hundreds of photos - you will be able to share and print them instantly. We have an online LAB that creates beautiful photos, so order with us and have them shipped right to your home or print them yourself. The choice is yours (you own the digital download)
- **\$200 deposit required** to hold the date. We will send a PayPal Invoice, and the deposit is applied to the total cost.
